

## Key Specialties

### Medication Assisted Detox

We offer medication-assisted treatment to ensure clients stay comfortable & safe.

### Trauma Informed Care

All of our clinicians take a trauma informed approach to medical and therapeutic care.

### Dual Diagnosis Expertise

Addiction often coincides with mental health struggles. Thus, we offer comprehensive dual diagnosis treatment.

### 24/7 Medical & Therapeutic Care

24-hour medical and therapeutic care with expert professionals.

## Additional Services

- ✓ 24/7 medical care & therapeutic support
- ✓ Multidisciplinary curriculum
- ✓ Nutritious meals made by onsite chef
- ✓ Abstinence, evidence, and holistic treatments

## About Us

With an emphasis on compassion, dignity, and understanding, West Valley Detox & Treatment Services' mission is to provide excellent treatment options for those seeking a path to sustainable recovery utilizing an abstinence, evidence-based, holistic, and trauma-informed approach.

## Patient Testimonials

Amazing place that treated my family member; they were professional, sensitive to our concerns, respectful, great service, and made us feel at home!!  
Thank you, West Valley!

One of the best addiction treatment centers in Los Angeles, without a doubt. They offer full-spectrum care from detox to aftercare. I appreciated the support and education to stay sober, it really helped my aunt.
